KRM Security Services is proud to announce that recently we have become part of the London Chamber of Commerce and Industry, an organization we know which will help us grow and expand

KRM @ WHITCHURCH

Our new community outreach project

Staff from KRM Security Services Ltd spent a day helping out at Whitchurch primary school on sports day, we were definitely the busiest people there

KRM Security Services got a hands on experience in the competitive sports industry, when we got the wonderful opportunity to help out at the most fiercest of all competitions- a school sports day.

On a crisp summer's morning, as the teacher shouted go to signal the start of the first race, it also signalled the start of our community outreach programme. And whilst kids were running for victory, KRM staff were busy setting up a stand with delicious healthy snacks, drinks and ice lollies to refuel the kids after they finished the most competitive day of their lives so far!

Helping out at Whitchurch Primary School, our contracts manager Abeer and CEO Usman were quickly dishing out treats to excited children, who found the special 'KRM Pens' more exciting than the whole sports day! By the end of the day, it was clear who the winner was. However, the people that had remained the busiest in the day were those manning our stand, who described it as a rare opportunity to enjoy the innocence of children, and act as an inspiration for them. We look forward to next year's sports day, as we will hopefully go back and do it all over again, this time bigger, better and busier than before!

Westminster Protests

October signaled the start of extensive protest action, by the Extinction Rebellion group. They were fighting for more to be done towards fighting climate change, blocking up roads, stations and bridges. No matter what our opinion was of them, it was imperative that KRM Security worked hard to maintain security across our sites in the area.

Things really took a toll for the worst when Extinction Rebellion protests were met with Brexit protesters, and the two groups co-allied, to form a big protest exceeding 20,000 people outside parliament.

KRM Security Services joined hands with the Metropolitan Police, to ensure that safety and security were maintained the high standard we always aim to deliver. The two teams worked together to achieve the goal. Metropolitan police staff thanked our KRM Security staff for allowing them access to kitchens and bathrooms all day and night, and the KRM team was extremely grateful to the police for helping them ensure the safety of our sites was maintained.

New Appointments

We have had new staff join our team at KRM Security Services over the last few months, from Sales Directors to Security Guards. We gladly welcome them and wish them all the best of luck in their KRM careers.

Brendan Reilly

Brendan joins us as a new lunch time relief officer. He has been working in security for over 20 years, and is excited at the prospect of joining a new company and seeing how we run things at KRM.

Hadi Haghighi

Hadi joins us as regional operations manager and brings with him a blend of experience and skill, that he has gained from his 50 years of experience in management. Hadi has held numerous positions before, and perhaps his most interesting achievement was opening the first McDonald's in Israel.

Toqeer Ahmad

Toqeer is joining the team we have on the ground as a security officer. Having held a handbag stand in Queen's Market, Toqeer is looking for a change of career, and we at KRM believe he will make a skilled security officer. We welcome him with joy!

Employee of the Month Awards

At KRM, we believe it is very important that we reward our staff who consistently perform well and show passion and take pride in their work. Find below some of the winners of this award:

KRM Security Services would like to congratulate our wonderful employee Izza on her achievement. She has been chosen as employee of the month. Her perseverance and punctuality is second to none, and she consistently delivers, ensuring that our clients are pleased. Well done Izza! Excellent achievement.

Congratulations to Mr. Nihal Zaidi, who has been selected as employee of the month by KRM Security Services Ltd. Our Contracts Manager Abeer went down to see Mr.Zaidi at his site today, to present him with flowers and a certificate recognising his incredible achievement. Nihal has been chosen this month because of his outstanding performance at Ergon House. He is punctual, professional and takes health and safety very seriously on this construction site. We have nothing but positive reports on Mr.Zaidi from our clients here. Well done Nihal!

Eric was chosen as employee of the month due to his outstanding performance with our clients at 140 Fenchurch Street. We have always had nothing but positive reports about Eric, he's always punctual and never misses a shift! Eric works tirelessly and goes the extra mile to ensure total protection of the premises even outside his working hours. He is friendly with both clientele and our own staff and is a wonderful personality. A truly well-deserved award, well done Eric!
